**WE ARE A
COMMUNITY**

What Happens at a Board of Director's Meeting?

Board meetings bring together the directors of The Oaks Community Association. Their role is to oversee our community and guide our General Manager, Laurie Triano. At a board meeting, the board reviews the finances and operational procedures, discusses projects and rules & regulations, listens to resident's concerns, and makes decisions.

Attending a Board meeting is the best way to voice your concerns and ideas for our community. All residents are encouraged to attend Board meetings.

If you would like to have the Board meeting agenda emailed to you, please email your request to Elizabeth at elizabeth@toca.email
