WHEN WILL THE POOL BE OPEN???

This is a question we are hearing quite often. The short answer is we don't know... The long answer is one you are tired of hearing, but here it is: Due to Covid-19, CDC guidelines state pools, spas, and playgrounds are to remain closed. We understand this is extremely frustrating, but your health and safety are our first concern. As soon as the CDC lifts the guidelines, we will open the pool, spa, and playground. Please bear in mind, there may be strict rules that need to be followed when using these facilities.

Why is My Vehicle Being Towed???

The better question is: Why did I violate the parking rules? As we all know parking in our community is very limited. Many residents use guest parking for their personal long term parking and not only is this against the CC&Rs, but it impacts other residents, including the elderly & their care providers. CC&Rs state:

Resident Parking. Except during such times as may be reasonably necessary to wash a Resident's vehicle or clean the garage on a Lot or perform other similar short-term activities necessitating removal of vehicles from a garage, vehicles of Residents shall not be parked anywhere in the Development except wholly within the Resident's garage, carport, or driveway.

The Oaks is working hard to reduce the parking issues, but we need your help. If you have a vehicle that is parked in guest parking, please move it to your driveway, garage, or carport.

Vehicles not moved, will be cited and/or towed.

REMINDER

Registration with Association. All vehicles operated within the Development by Residents must be registered with the Association by submitting a written notice with of the year, make, model and license number of the vehicle to the Association Office.

Summer Fun

We hope everyone had fun doing the Kid's Scavenger Hunt. If you have an idea for something fun to do during this summer, please email Elizabeth, elizabeth@theoaksone.com and let her know. We are looking for fun ideas for both kids and adults.

10 Hot Summer Tips for Pet Owners

- 1) Provide plenty of water and shade
- 2) Watch for signs of overheating
- 3) Never leave your pet in the car
- 4) Apply sunscreen; pets can get sunburned especially short haired pets
- 5) Give your pet a trim, but don't shave.
- 6) Walk you dog early or late when its cooler
- 7) Keep your pet's paws cool
- 8) Keep parasites away; they carry diseases
- 9) Consider a life vest if you are taking your pet near water
- 10) Don't walk your pet on hot asphalt or concrete
