

TOCA ACORN Community Events

THE OAKS COMMUNITY ASSOCIATION UNOFFICIAL NEWSLETTER

March 2020

Please be kind to our Utility Meters

Just a reminder that all utilities meters must be accessible, kept clear of obstructions, no animals tethered to them, AND, if you are painting (or using someone to paint) your house and/or the meter, YOU MUST not paint over any tags, stickers, glass meter viewing area, etc.. Remember, you each help control the costs of the Association by helping keep meter replacement costs down.

Feral Cat Trapping Program

The feral cat trapping program has began and has had some success. We have trapped two cats, one female and one male. These cats were taken to the vet for a health check, vaccinations, and spay or neutering, then returned to the area they were trapped.

The program will continue over the next several months.

Thank you for helping us control the cat population and your continued cooperation.

We Need Your Ideas!

What would you like to see in your newsletters? Recipes? Help Hints? ???

Email or call the office with your GREAT ideas for the newsletters.

Please observe the 10 MPH speed limit inside the community. Please slow down.

Only street legal vehicles may be driven in The Oaks. Mini/Dirt bikes, unregistered vehicles, etc., are not allowed to be operated within The Oaks Community.

Parents – please ask your children while riding their bikes, scooters, skateboards and hoverboards to watch out for vehicles. We have had several close calls with drivers not seeing children and children not looking for cars. Please make sure your children know they are required to stop at stop signs, look both ways for vehicles before entering the street, and that they should be wearing helmets. Please tell your children they are not allowed to play around the mailboxes or in the front of the clubhouse. This is for their safety and the safety of people picking up mail and visiting the clubhouse.
