THE OAKS COMMUNITY ASSOCIATION UNOFFICIAL NEWSLETTER

## Children at Play

Please remind your children that riding bikes, scooters, skateboards, etc., is NOT allowed on the sidewalks and mailbox area. There have been many instances of people almost being run over.

Sidewalks, mailbox area, and the front of the clubhouse are NOT play areas.

We have noticed many young children playing unsupervised. Children must be supervised by a responsible person while playing at the playground or in any common area. Staff members are not here to babysit your children. Any child found breaking rules, being destructive, or ignoring staff member's directions will be sent home and barred from play areas.

We have had several people voice concerns about children not watching for vehicles while riding bikes, scooters, skateboards, hoverboards, small electric vehicles and all other means of transportation. Please take a few minutes to talk with your children about the dangers of not watching for vehicles.

And Drivers, please also be aware and slow down while driving in the community and keep your eyes open for children and pets. We want to have a safe community and not have anyone get hurt.

## Safety Committee

We are forming a Safety Committee to discuss child safety concerns. We would like to have parents on this committee. Please contact the office if you are interested in being on this committee.

## Volunteers Needed

We are looking for residents who are interested in volunteering to help with BINGO, Movie Nights and other social activities. If you are interested in helping or if you would like more information, please call Terri (209) 274-6056

## Taste of the Oaks!
