THE OAKS COMMUNITY ASSOCIATION NEWSLETTER

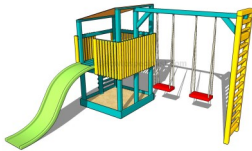

## Yard Waste

As of December 1, 2020, we will be stopping the Yard Waste Pick-up Program for the season. We will re-start the program next spring.

We recently called and confirmed that Aces Waste Services does not offer green waste pick up in County areas at this time, which we are part of, they only offer that within the city limits. They are considering possibly adding green waste services for county residents next year, so we will keep you posted as we hear more, but in the meantime, you can haul your green waste to Aces.

Towards the end of 2020, Aces Waste Services will be sending out information to all of its customers about their new waste voucher cards. Customers will receive a scannable card that they can use to take up to 1 cubic yard (approximately 3' x 3' x 3') of waste to the Aces lone facility at no charge annually (card will reload each year at the beginning of the year). Additionally, at some future point, they will announce an additional "Community" waste event where Aces customers will be able to take another yard of waste at no charge.

Please contact Aces Waste directly for any further information. (209) 274-2237

## Playground Reopened

Please observe and follow ALL rules when using the playground area. Some of the new rules are:

- 1) **MASKS MUST BE WORN AT ALL TIMES. BY ANYONE OVER THE AGE OF 2.**
- 2) Wash and /or sanitize have **BEFORE** and **AFTER** using playground area.
- 3) No more than 10 persons are allowed in the playground area at the same time.

## Feral Cat Trapping Program

The feral cat trapping program will be again this month. Trapped cats are taken to the vet for a health check, vaccinations, and spay or neutering, then returned to the area they were trapped. The program will continue over the next several months.

Thank you for helping us control the cat population and your continued cooperation
