THE OAKS COMMUNITY ASSOCIATION NEWSLETTER

May 2022

Community Solar

We need a minimum of 70 owners (person (s) on Deed) at our Monday 5/2 Solar Meeting. Please come support this initiative and bring all your questions. Meeting will start at 6pm.

THE POOL IS OPEN

As the sun is shining and temps are rising, just a courtesy reminder to everyone, please use good judgement when going to the pool. Those with small, influential, curious children, would appreciate your giving thought to your swim attire and to covering up while walking the street to the pool area – parents work hard to protect their children from being exposed to things beyond their age of understanding, so if you could keep the G-strings and skimpy bikini's a little under wraps, all the parents will appreciate your good judgement!

Would you like to see some changes and activities in our park? Do you have a great recipe or helpful hint for the newsletter? We would love to hear all your great ideas. Please let the office via phone, email, or stop by.

Tackle Spring Tasks & make it fun!
